We exceed the required 160 days by 3 days and the required 1080 hours by 41.6 hours. During the 2023-2024 school year, we will allow for 1 true snow day in the first semester and 1 true snow day in the second semester. After that, all weather days will be remote learning days on the delayed start schedule. This will ensure we do not fall below the required state minimums.
