4a (Code:) (Expenses \$ 916,839. including grants of \$) (Revenue \$ 1,278,850.) At Ascend, we want our students to ask "why" we want them to dig deeper into the material instead of simply replicating the work they have been shown during a class. True learning is about so much more than memorizing formulas and steps. We will focus on the underlying concepts behind the mechanics in each course as a way to more fully understand the content. Our small class sizes and applications-based curriculum allow us to tailor instruction to each student's individual interests and needs. In a traditional classroom, all students are required to work at the same pace; this does a disservice to those students who would like to work faster, or those who require additional help. We will work with students, on an individual basis, to customize their educational experience.

4d Other program services (Describe on Schedule O.) (Expenses \$ including grants of \$) (Revenue \$)
